Dear Skip,

On behalf of America's Schoolhouse Council, a heartfelt **"Thank You"** for accepting our offer to become an advisory member of ASC.

I apologize for my delay in officially welcoming you on board, but, as David Kuckuk has probably already told you, your advisory status was unanimously approved at our September 9<sup>th</sup> Board of Managers meeting. Your input, insight, and support have been greatly appreciated by our group, and we wanted to recognize the importance of this relationship. Additionally, we wanted to acknowledge the importance of our relationship with San Diego State University through you, and this will hopefully keep our mutual goals for the National Center alive.

I am really pleased that I will be able to count on you as ASC continues to define and establish our niche in the national discussion of K-12 design issues. Thank you again for being a part of our success!

Sincerely,

Earl L. Frazier, AIA  
President
